

Valuable Information for all Dyslexia Guild Members

Professional Indemnity Insurance

Cover for dyslexia assessment and specialist teaching and support. It is a requirement for anyone with an Assessment Practising Certificate (APC) to be covered by Professional Indemnity Insurance whilst assessing. Although many practitioners will be covered by their employer's insurance, anyone working privately must take out their own cover. Equally, anyone undertaking private teaching or training is strongly advised to be insured for their professional practice.

The Dyslexia Guild has discussed these needs with a firm of insurance brokers, Howden, who are experienced in providing policies to education professionals. You are of course free to get cover from any provider, but we think it is helpful for The Dyslexia Guild to recommend a firm which understands the type of cover needed for teaching, training, assessment and tutor support work, that offers discounted rates for our members at three different levels of cover.
